### **COMMENTS:**

JMPAS (Journal of Medical Pharmaceutical and Allied Sciences) is pleased to inform all researchers that our July edition, issue number 3 has been successfully published, view July issue on following link <https://jmpas.com/current-issue>

On the month of August (Volume-10, issue-4), we are coming new issue with new theme. We are announcing the launch of a new series which will be based on Covid-19 and its management; with the herbal drugs and are their role against the spread of infection diseases.

We are providing the world famous transformative open access platform, where all researchers can share their knowledge. We are request to all researchers please send their review and research article and play their role for prevention and protection from this pandemic disease.

Thanking to all of you
